Amos 9:11 TABERNACLE OF DAVID CONFERENCE

11 - 14 Sept 2015

Rydges Tradewinds, 137 the Esplanade Cairns

Amos 9:11 "In that day, I will restore David's fallen tabernacle (sukkah). I will repair its broken places, restore its ruins."

STRATEGIC TIMING

The timing of the conference is very strategic as we are in a Sabbath year (Shemitah) which ends on Sept 13 during our conference. It is a time of rest for the land and releasing of debts on the final day, Elul 29 which is 13 Sept 15. (Lev 25, Deut 15:1-3). The conference starts on the anniversary of Sept 11. It is possible there will be a great shaking of the world's financial system and historical upheaval.

It has been 2 Sabbath years i.e. 14 yrs since Sept 11. There will be signs in the heavenlies during the conference e.g. a partial solar eclipse on Sept 13. (Luke 21:25-28) Sept 13 is also Erev Rosh Hashannah, the start of the Jewish New Year, also Feast of Trumpets, Yom Teruah. (Lev 23:24)

THEMES:

1. The Lord showed Norman the answer to the 9/11 strike on the Twin Towers in 2001 is Amos 9:11, the rising up again of the Tabernacle of David. We want the new songs that will take us to the next level and the next strategic time so the conference will focus on song writing workshops and prophetic worship with speakers at night and before morning tea.
2. We have a prophecy that we need to plant Tabernacle of David's all over Australia.
3. The Tabernacle of David is about restoring 24/7 or night & day worship and prayer (1 Chron 16:4-6) and Jews & Gentiles worshipping together (Acts 15:13-18).
4. The Tabernacle of David is also about raising up the throne of David on which Messiah will reign with justice and righteousness. (Isaiah 16:5)
5. A worship CD will be produced from the conference and delegates can work on their own song writing projects as well.
