

**POSITIONED FOR DOMINION CONFERENCE CAIRNS
10-11 SEPT 2001
A CHRISTIAN INTERNATIONAL/EAGLENET
NATIONALCONFERENCE
HOSTED BY TABERNACLE OF DAVID CAIRNS, AUSTRALIA**

Report by Ps Barbara Miller

The conference was awesome!!! It was attended by about 300 plus people in the evenings and about half that in the daytime. Almost everybody got a prophetic word, including the Mayor of Atherton. There were wonderful prophecies over the north and Cairns re revival and breakthrough. The speakers poured their hearts out to bless us with messages like "Keys to Building His Church" and Positioning, Posturing For His Promises" by Apostle/Prophet Leon Walters, "From Frustration to Fullness" by Apostle/Prophet Greg Bailey, "Vision for the 21st Century Church" by Apostle Theophilus Jones and "Momentum" by Prophet Valerie Jones.

There was a wide range of denominations attending - COC, AOG, Anglican, Catholic etc and the towns of Cairns, Atherton, Mareeba, Mossman, Townsville and the nearby Aboriginal community of Yarrabah were represented. A few came from Brisbane and the Gold Coast. There was a high turnout rate of pastors and the offering to the visiting speakers was good.

There was an awesome warfare anointing on the praise and worship led by Norman, backed by Barbara and Colleen on singers and musicians from our church, Tabernacle of David, Emmanuel AOG, Living Waters AOG and St Francis Xavier Catholic church. On the last night Ps Carl Musch joined us with the didjeridoo and the worship went into even more warfare and liberty. The speakers have taken didjeridoos and clap sticks back as gifts from our art gallery because they want to introduce them into praise and worship in their churches. There was an incredible opening made in the heavenlies for the prophetic and apostolic anointings over Cairns. Youth were prophesied over and one of the youth rang me afterwards and said she'd been prophesied that she'd have a heart after God and it'd made her more hungry and she's been reading about David in the Bible.

Ps Norman and Barbara Miller had been ordained in 1996 as pastors but on 9.11.2001, after the last night of the conference, Norman was ordained as an apostle and Barbara as a prophet by Apostle Leon Walters of Christian International USA. We then found out about the Twin Towers and kept watching it with the Americans on TV and kept the situation in prayer.
