

PARTNERSHIP BENEFITS

A **Partner** is someone who has prayerfully decided to link up with this ministry spiritually and financially, supporting the vision of International Reconciliation through faithful monthly donations. When you become a **Partner**, you lay a foundation to walk in the same grace, favour, blessing, power and anointing as we do.

You literally become a part of this ministry.

The Apostle Paul knew the value of Partnership when he wrote to his ministry partners:

"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now....It is right for me to feel this way about all of you, since I have you in my heart.....for all of you share in God's grace with me."

Philip 1:3-5,7.

King David also understood partnership;

"...The share of the man who stayed with the supplies is to be the same as that of him who went down to the battle. All will share alike." 1 Sam 30:24

The greatest benefit of **Partnership** is the joy that comes from knowing that you are making a difference in the lives of people you may never meet till you get to Heaven, where they will greet you with "Thank you, thank you". As a **Partner** every person who is saved, healed, delivered & touched by God through this ministry has YOU to thank!!

Jesus is the answer to every problem this world has. He is the **only One** Who can fill their void & give them the peace they are searching for.

We know it, You know it; now it's time they know!!

"Partners will receive concessions in registrations for our conferences and a free DVD or CD every second month to show our thanks."

About the FOUNDATIONS of the "Centre for International Reconciliation & Peace"

Norman and Barbara head up a ministry called the **Centre for International Reconciliation and Peace Inc.** It was established in 1996. They were forerunners in the area of British-Australian reconciliation going to a Reconciliation Conference at Coventry Cathedral England and stood in the gap for Black and White Australians, repenting for Australian attitudes towards the British. (Norman is Aboriginal). This preceded the British Reconciliation Tour of Australia in 1998. During that tour, Norman and Barbara organised an International Conference on Reconciliation and Peace in Cairns at which the British spoke along with Maori and Australian speakers.

In 1999, Norman and Barbara were part of the Australian team organised by the Australian Prayer Network to participate in a Reconciliation Tour of England. They have since made a video/DVD titled "Transforming Nations: Prophetic Acts of Reconciliation Between Britain and Australia." on these events that was released at a conference in July 2003. Norman & Barbara have also written a book called "Reconciliation and Justice, A Christian Viewpoint."

Norman and Barbara have been very active in reconciliation between Black and White Australians, between Jew and Gentiles, between churches, men and women, old and young, rich and poor and the church and the community.

They have spoken at Conferences in New Zealand, Canada and Zimbabwe, been part of Australian presentations in conferences at Guatemala, Israel and Singapore and ministered in a black church in Los Angeles, USA. Some of the thrust of this has been healing relationships between people groups.

They were the keynote speakers at 3 conferences held for "Intercessors for Zimbabwe" in 2000 and spoke over 20 times in 3 weeks to various groups. Norman and Barbara have hosted a number of Apostolic and Prophetic conferences

and training courses in Cairns and are in the process of setting up a Training Centre for the five (5) fold ministries. A Healing Centre is also planned. Barbara is a psychologist and teaches Christian counselling, etc.

Norman and Barbara pastor a church in Cairns called "**Healing Rivers Church**" previously the "Tabernacle of David", because of their vision to raise up 24-hour Prayer, Praise and Worship in the city. Norman has a gift of leading anointed Praise and Worship, while they both flow in prophetic song. They have a breakthrough anointing with a strong prophetic and apostolic gifting.

Their ministry has a strong intercessory focus and they have raised-up and led an intercessory group across churches for the city of Cairns, which has been going since 1999. Prayer-walking the city has brought remarkable results. Ask them about it!!!

Norman and Barbara share on "God's Prophetic Agenda for Israel and the Role of the Church". They have been having monthly Sabbath meals at their church since 1998 and have been celebrating and teaching on Passover, Pentecost and the Feast of Tabernacles for a few years.

They are re-digging the wells of revival in Australia while bringing together Aboriginal communities who've experienced revival with the city transformation movement.
