We give God the glory for what happened at the Ps 24:7 Government of God conference and want to thank the speakers, the chairs of panels, the workers and all those who heard the call to attend and made it a wonderful and special time. We thank the Lord also for all the other ministries who have been doing what God has called them to do at this time. What came out of this conference?

- Many said they were privileged to be able to worship and pray and hear the word of God in such a strategic place and at such a strategic time with the federal elections having been suddenly called. It was an opportunity to bring God's influence to bear in the seat of power of the nation.
- We were led to build the throne of the Lord in Parliament House. We placed a physical throne there as a symbol with a crown and sceptre on it. We established his throne in the spiritual through our praise and worship.
- We did a prophetic act of laying our crowns down before the altar of the Lord (Rev 4:8-11) and giving Him all the glory.
- We made a prophetic declaration that the government is on the shoulders of Jesus (Isaiah 9:6-7) which was our conference theme for 2010. All of our annual conferences are called Ps 24:7 conferences from 2003 until now and either start or finish on 24 July as a prophetic date – opening the gates of our nation to the King of Glory.
- We released angels from the capital to the 4 corners of the nation to fight to establish God's sovereignty over Australia.
- We affirmed that God is in control no matter what we think, no matter what we say and no matter what we do and how we vote. That is not to say that our vote is not important and we should prayerfully consider it but God is in control and we can trust Him and take comfort in that no matter what is happening around us.
- We prayed to overthrow thrones that oppose God's throne and against false authorities.
- We set up the altar of the Lord in Parliament House. We made a physical altar and used 12 stones as Elijah did in 1 Ki 18 to represent the 12 tribes of Israel. Norman and I brought these 12 stones back from Portsmouth, England in 1999 during the reconciliation prayer tour of England by Australians led by the Australian Prayer Network. This was the port the First Fleet left from for Australia taking convict settlers. We had a time of reconciliation and healing here between British and Australians over the wounds of first settlement.
- We did a prophetic act, led by Joanne Miller who read 1 Ki 18. One representative from each state of Australia and from other nations – Israel, Singapore, New Zealand and PNG came and laid a scroll at the altar and kneeled in prayer. After that we called down fire on the sacrifice as we made ourselves living sacrifices on the altar.
- I shared a message that we needed to lay party politics and our party allegiances on the altar. When Joshua encountered a man with a drawn sword and asked him whose side he was on, He replied that he was not on anyone's side but had come as Commander of the Army of the Lord. God is not on the side of the ALP or the Coalition or any other party. We need to be on His side and hear from Him clearly how to vote, not allowing party allegiance to be an idol before the Lord.

- Norman shared on the conference vision on the opening night. He shared from Isa 9. The birth of Jesus was like a light dawning for a people walking in darkness and living in the shadow of death. He enlarged the nation, increased its joy and shattered the yoke that burdened them. We have yokes of sin, anti-Christ and anti-Semitism to deal with etc. Isaiah could see the birth of Jesus to come and prophesied that the government would be on His shoulders and of the increase of His government and peace there would be no end. He would rule on David's throne, as Jesus will when He comes again and He will establish and uphold justice and righteousness.
- The messages from the speakers were inspiring and excellent teaching and dovetailed with one of the themes being the destiny of nations by Ps George Annadorai from Singapore, the destiny of Israel by Ps Howard Bass, the destiny of Australia and New Zealand (ANZACS) by myself and an amazing geo-political history of the Middle East conflict by Kelvin Crombie and how Britain, Australia and New Zealand played pivotal roles as part of that.
- There was a recruitment call for ANZACS to mount up on their horses and ride into their future destiny to bring a spiritual breakthrough for Israel as they did in the 31 Oct 1917 taking of the wells of Beer-Sheva, thus opening the way for the Dec 1917 end to 400 years of the rule of the Ottoman Empire as the Allied Forces entered Jerusalem without a fight. Norman and I are leading a tour of ANZACs Oct 23-Nov 8 this year and we'll be in Beer-Sheva for the Oct 31 ANZAC memorial.
- Ps Howard and Randi Bass live in Beer-Sheva and were able to issue an invitation personally to come to their city.
- We also issued an invitation for Australians to join Norman and I in Israel for the All Nations Convocation Jerusalem 8-22 September hosted by Ps Tom Hess, JHOPFAN of which we are the Australian leaders.
- Three New Zealanders (including Joanna Moss) were at the conference and when I shared on the Redemptive Purpose of Australia, I included NZ in this as we are joined in a common destiny not just through fighting together to fulfil Biblical prophecy in Israel but also through the de Quiros prophecy of the South Lands of the Holy Spirit (including the Pacific) and the Smith Wigglesworth prophecy that the last worldwide end time revival would come from Australia and New Zealand.
- Norman and I knelt and repented to the New Zealanders for any offence or hurts caused to New Zealanders by Australians. This was received by them.
- I shared that the de Quiros prophecy while normally being seen as a blessing, contains a claim on Australia, New Zealand and the Pacific by the King of Spain and the Catholic church. It also doesn't have anything in it about respecting indigenous people. When we hosted the Bethany Gate All Pacific Prayer Assembly in Cairns in 2006 on the 400th anniversary of the proclamation by de Quiros, I rewrote the declaration to remove these claims and to add respect for the indigenous inhabitants. I read it out in the prayer tower of the All Nations Convocation Jerusalem last year having invited the delegates from Vanuatu where the prophecy was made to join us. We then reinforced what was done in Cairns by re declaring it together as nations in Jerusalem, the city of the great King. I declared it again at the Canberra conference.
- Our praise and worship team really led us into the throne room. We had a team from Cairns (Colleen Burfitt, Tom Miller and Shirley Miller) and Canberra (drummer Bob Crockford) with Randi Bass from Israel joining us on flute and Murray Van Hoorn

from NZ joining us on violin. The worship team from Cairns blessed us with a ukelele item on the conference theme of Isaiah 9:6-7.

- We were blessed with a wonderful dance on Opening the Gates by Jacqueline Bedson and her team from Canberra including Ps Irwin Ross. There was much dancing, waving of banners and flags and worshipping with abandon during the conference.
- It was wonderful to have 6 Canberra pastors stand with us on the opening night to read scripture, pray and bless the conference. They were – Rev Lindsay McDowell, Ps Irwin Ross, Ps Roma Hosking, Ps Gloria Neale and Ps Bunja Smith. Ps Jamie Pryor was out of town but was able to chair a panel along with Roma and Gloria on the Friday. David Jack from Melbourne also chaired a panel.
- It was also a blessing to have Ms Einat Weis, diplomat from the Israel Embassy in Canberra to come and address our conference briefly on the opening night. This was her first official address to a group in Australia and she was very touched by it. We played the Israel National Anthem. We hope this provided some healing from Australia having recently sent a diplomat home over the passport affair. She sounds like a replacement.
- Having Ps Howard Bass speak on Israel gave people an opportunity to gain a greater heart for Israel and a greater understanding in this area. We always have a speaker on Israel at each of our conferences as we want Australia to be a sheep nation on the day the Lord judges the nations and to be found standing with Israel not against.
- One of the highlights of the conference was to have such a high calibre of Australian speakers on the panels. The first panel was on Christian Leadership in Government. Panelists were – Ps Robyn Peebles, Christian Democratic Party (replacing Rev Hon Fred Nile whose wife was sick), Ps Lynne Klomp Parliamentary Prayer Network, myself, Dr Graham McLennan, National Alliance of Christian Leaders (replacing Ps Andrew Evans, Family First Party whose wife was sick), Glynis Quinlan, Australian Christian Lobby, Peter Stokes, Saltshakers, Deborah Miller, Indigenous Coordinating Council and Colleen Burfitt, National Native Title Unit.
- Graham McLennan had originally been approached to speak and couldn't make it but [it was wonderful that he became available because he was able to bring forth one of the key outcomes of the conference which was the Canberra Declaration](#). See www.canberradeclaration.org.au and please sign in online if you haven't already. Nearly 10,000 signatures have been collected so far. Norman and I believed it was important to make room for him to do this. Following on from the Manhattan Declaration and the Westminster Declaration, Hiliary Moroney sensed it would be good to have a Canberra Declaration where Christians stand up for Christian values in government. Bill Muehlenberg, Warwick Marsh, Graham and others worked on this and consulted many Christian leaders and felt that it was a strategic time and place to launch this declaration at Parliament House before the elections while there was a large Christian group there. Graham led the conference delegates in speaking forth the Canberra Declaration during his talk on the panel, Hiliary led a prayer for it and then at lunch time, we launched it with the press on the lawns of Parliament House.
- Lynne encouraged us all with letting us know that a Bible had been placed in the foundations of Parliament House as it was being built and that there had been weekly prayer over it. Robyn told us of the campaigns of Fred Nile to keep our Christian

heritage, Glynis of the key role of ACL, Peter of the key role of Saltshakers, Debbie of Deborah in the Bible and Colleen of her role with the NNTT.

- When Kevin Rudd was deposed, I did some soul searching and the Lord gave me a message on character flaws which I shared on the panel. He showed me it was like on a football field, players may not sin but may make moves that loose them the game. That's what happens with character flaws. We make moves that cause us to loose in the game of life.
- The second panel was on Impacting the 7 Mountains or Gates of Influence. We expect to bring everyone into the church but it is only one mountain. We as the church in the marketplace need to take the other 6 mountains for God instead of abdicating Christian leadership in these spheres. The speakers for this very interesting session were – Peter Kentley, Marketplace Connections (business), Joanne Miller, policy writer, Qld Govt (government), Graham McDonald, Children of the World (Media), Ps Cameron Butler, Sports Chaplaincy Australia (Celebration), Ps Jenny Hagger, Australian House of Prayer (Religion), Lillian Miller, Catholic Education (Education) and Ps Warwick Marsh, Fatherhood Foundation (Family).
- Graham gave us disturbing information on the sexualisation of children in the media which is an issue the church needs to deal with and Cameron told us of the amazing open doors for sports chaplaincy and the high need for these chaplains. Jenny gave excellent teaching on the religious spirit and Joanne challenged us not just to pray for parliamentarians but policy writers whose role is so crucial. Warwick shared on the campaign to keep marriage between a man and a woman and Lillian gave us a heart warming story of herself as an Aboriginal teacher and how the system is failing our children re their literacy etc.
- George Annadorai is always one of our most popular speakers with people seeking to order his DVDs. He shared on the Restoration of the Tabernacle of David, the Treasury of David and the Throne of David. He has a keen prophetic insight. He challenged us also to connect with Israel and spoke of the prophetic journeys he led last year retracing the steps of the Silk Road, the Incense Trail and the Spice Route back to Jerusalem. This year he is taking a group to connect with Holocaust survivors in Israel and to bless them with a banquet.
- It was wonderful to have 5 Aboriginal speakers at the conference and Aboriginal people coming from WA, Qld and Victoria for the conference. Because indigenous people don't get much of an opportunity to speak at conferences in Australia, we always make a point of making a platform for them.
- I had prophetic words I shared at the conference. One I received on June 27 re Kevin Rudd being deposed and one was about the Lion of the tribe of Judah on top of Parliament House claiming it. I also saw the lion dancing on top of Parliament House as we worshipped. At one point, Norman asked me to lead the people in roaring like a lion which I have an anointing for but don't do often as it is something special for when the Lord leads. These words are available separately.
- Norman ended the conference with saying that he believed that there was new wine dripping from the mountains.(Amos 9:13) He shared on the theme for the July 24 2011 conference which will be "The Kingdom of Heaven in 2011". Our next 2 conferences and possibly more will be in Parliament House Canberra so we can build on the breakthroughs. The theme of the 2012 24/7 conference will be "The 12 Tribes of Israel" and the scripture will be Ps 122:1-4.

- David Jack made a DVD with Kelvin Crombie speaking on NZ's role re Israel in World War 1 and 2 to take to NZ with Howard and Randi and Norman and I as we were going to be talking at schools in their history classes in Hamilton and Tauranga after the Canberra conference. The role of the Mounted Rifles of NZ for example, was critical in taking the high point of Tel Beer-Sheva so that when the 800 Lighthorsemen from Australia did their famous charge to take the wells of Beer-Sheva from the Turks and Germans, they didn't get cut down with fire from this high point. The role of the British in preparing the way was critical as well.
- We thank the Lord for a wonderful speaking tour for Howard, Randi, Norman and I in Sydney and Melbourne pre conference and a wonderful speaking tour of Auckland, Hamilton and Tauranga post conference. We had day and night meetings in each city and were blessed to have a seminar in Parliament House Sydney courtesy of Rev Hon Fred Nile and Operation Exodus. Thanks
- On the first Sunday we were home from the trip (08/08/10), the Lord gave me a message on "Strike the Ground"(1 Ki 13). The Lord showed me that at the conference, Norman, as an apostle, represented the king in the story of Elisha and King and I represented the prophet and that, with my hand on his, and at a word from the Lord, he had shot the arrow out of the east window. So we did this in the physical as a prophetic act and declared "The Lord's arrow of victory, the arrow of victory over His enemies, the enemies of Australia and the enemies of the church in Australia."
- Elisha had then told the king to strike the ground and was angry with him that he only did it 3 times, telling him he'll only have victory over the Arameans 3 times and he should have struck it 5 or 6 times for complete and continuing victory. So, as a congregation, we struck the ground 7 times declaring "The government is on Jesus' shoulders". Then we struck the ground 7 times for a breakthrough in our own lives and kept going vigorously till our bamboo sticks were all frayed. VICTORY!!!
- On 08/08/10, Norman got a sense that there was a river of justice, righteousness and healing flowing and he encouraged us to do a prophetic act of jumping into the river which we did enthusiastically.

Prophecies

- Liz Wright, Katherine, 23/7/10 – On the first day I saw the presence of God as all supreme over Parliament House. I saw the structure above ground of Parliament House with man having handed it over to ungodly spirits. I saw underneath the foundations were in God (in spite of the Masonic designs/plans). This was later confirmed by Ps Lynne Klomp who told me the engineer putting in the foundations was a Christian who prayed over each of the foundations as he put them in. When she spoke on the panel, she said a Bible was buried in the foundations.

The Lord showed me He was building to a climax of His purposes the first night and day. He was building His throne in worship and praise. The Friday would be very important and there's a need to cover the speakers for sharpness. Messages on Friday would break the divide of religion and politics and thinking that they don't mix. I circled. The Lord was building this in the spirit. I saw the enemy circling and watching with concentration on Black Mountain and like Elisha, I saw the armies of the Lord of Hosts surrounding in far greater numbers. I was praying protection for the leaders and attendees with binding of the enemy, stopping his ears and handcuffing. Yeshua has the victory.

- Lesley Rowlett, Adelaide – The Lord wants us to build an altar unto Him. He is a holy God. We are building an altar as they did when they took ground. They built an altar to the Lord. God is a jealous God. He is the Lord of Lords and King of Kings.
- Joy Salogna, Canberra – I had a dream of hacking of a tree. On the left are dead branches. On the right, it looks like cactus with sap coming out. In the middle as it was chopped, a nest or hive dislodged itself and insects came out. Then there was a gushing of fishes coming out of a dirty pond – directing them where to go.

Testimonies

- Ian Brearly, worship fanatic, Canberra 25/7/10 – Got to say: how good was it?
Kelvin Crombie – what a weapon in the hands of the Lord!
Ps George from Singapore – likewise
The Miller family – what a blessing!
So many champions – Graham McLennan, Lynne Klomp, Warwick Marsh, on and on. Is the Lord good or what? Is He God? I think so. Great event in God. I will be buzzing and digesting it all for days.
- Hiliary Moroney 5/8/10 - gave a testimony also that after the intercessors from the Government of God conference prayed at the WEC Centre “In the Parliament the next day which was the last day of the God’s government conference on July 24, it was amazing how the Holy Spirit flowed and so many of the issues we prayed for were addressed in one way or another by ministers who had not been at this prayer time.....We were praying through this as ANZACS, and reconciliation flowed between NZ and Australia the next day...really honest and touching...and Australia’s destiny to stand with Israel in the end times....”

“You hosted a wonderful life changing conference for the nation I believe, and I was so grateful for all you did ...and your honest hearts in sharing...bless you for your courage and commitment.”
- Hiliary Moroney 15/8/10 – “Thanks for the word. Amazing it was the 2nd anniversary of 080808 and at YWAM Canberra, Donny Mc Greggor and team felt to make a huge strike prophetically too!. God is so good...thanks for this word...God’s opening the way for the Canberra Prayer Centre Vision to come forth”
- Leonie V. James, St Christopher & Nevis 15/8/10 – “God bless you. I’m believing with you that the government of Australia is on the shoulders of Jesus! I’m believing that there’s victory and that you are a great part of it, so from the tiny nation of St Christopher & Nevis, I’m STRIKING THE GROUND with my bamboo.”
- Tanya Allan 18/8/10 – I live in the Blue Mountains and read your word on striking the ground last night. This morning my 2 year old daughter Eva grabbed a tambourine and a stick (broken off a timber blind) and was walking through the house singing at the top of her voice and ‘striking the ground’ and banging the tambourine. I looked at her and smiled and she said ‘praying Mummy amen’!!! When she finished she said ‘church finished now Mum! I could only think of the word I read last night and had to praise the Lord!! (My comment – out of the mouth of babes).
- Glenda Taylor 19/8/10 – “Just wanted to thank you for sending this (prophecies and messages re Government of God conference). I’ve been getting your emails since attending the prayer gathering at Grantville a while back and have appreciated getting glimpses of what is happening even though I have not been part of it. I can’t

ever remember feeling so disturbed leading up to an election and have been joining with others through the APN in praying for the nation. Reading through your statements gave me a sense of calm and renewed enthusiasm. Thank you.”

- Kathy Susnjar, Perth 18/8/10 - Re your prophetic word on 8/8/10 re the Canberra conference and stating you don't know exactly what occurred in the heavenlies. You shot an arrow with the words “The Lord's arrow of victory over His enemies, the enemies of Australia and the enemies of the Church in Australia”. In Perth, WA, we had a 'Friends of Israel WA' at the church Victory Life Centre 4pm on 8/8/10. This is a first in Australia with the attendance of the Jewish Rabbis, their community and Christians together in a church to show the Jewish people our support for Israel. Also invited were politicians to show their support for Israel. 1,500 people attended...!!!!!!” (My comment – that is indeed a victory!!!)
- Other testimonies are available but we're just checking permission to use them at the moment.
- If anyone can help with the conference shortfall as meeting in the Parliament House for the whole conference was very expensive, we would really appreciate it. Please make deposits to the Centre for International Reconciliation and Peace, CBA, BSB 064825 account no 1022 7461. Please put your name on the deposit so we can send you a receipt and thank you note.
- DVDs are available for sale for \$10 each and 10% discount for a full set with an order form on our website – www.reconciliationandpeace.org.
- We would like to thank again our team – Colleen Burfitt, Deborah, Joanne, Lillian, Shirley, Thomas and Judy Miller, David and Carol Jack, Sarah Kenny-Pascoe, Golata Van Gelderen, Maree Laschuk and Marian Millard. We'd like to thank Patricia Janze who helped as well. Thanks to Kris Schlyder, Hiliary Moroney and others who sent out brochures to their mail lists.
