We are at a critical time in our nation of Australia. The secularization of our nation has made religious freedom a key issue and freedom of speech and conscience into major issues. There are many other issues and the Lord has given us strategies as to how to pray. One of these is to have a shadow spiritual government in the same way that the party in opposition forms a shadow government. That means we need a high-level prayer leader for each of the federal ministries e.g. health and education, who will raise up a team around them to pray for that portfolio. That person might be you. Please contact us if so led. We will be sharing much more at the workshop on 25.1.19 which will prepare us to pray strategic, apostolic and prophetic prayers on the Australia Day Prayer Day. We can build on the breakthroughs from the Canberra prayer by prayer meeting on Skype or similar.

IF YOU WOULD LIKE US TO FACILITATE A TABERNACLE OF DAVID WORKSHOP IN YOUR CITY OR CHURCH, LET US KNOW -

The next row shows the Millers with the leaders who invited them to facilitate the Tabernacle of David workshop on the Sunshine Coast - Jasmine and Damien Kohlman on the right and Paul and Kathy Villani in the middle. In the front is Ps Daniel Silarpu from India who joined us. Also Ps Norman Miller on the Cairns Esplanade with the Jerusalem flag reading out a press statement to say the Australian embassy to Israel should be moved to Jerusalem.

Bottom row is Ps Norman at our Hanukkah celebration and showing the hand he made to raise awareness of the need for religious and other freedoms. He takes this to events.
