

AUSTRALIA DAY PRAYER 26.1.21

The Centre for International Reconciliation and Peace and Tabernacle of David Cairns have hosted many Australia Day Prayer events, the last two in Canberra and others in Melbourne, Sydney and Yarrabah Aboriginal community. Sen Abetz & Sen Stoker will be sending us prayer videos & national prayer leaders Brian Pickering & Warwick Marsh will pray in the morning. Indigenous leaders from each state will lead prayer also.

With covid-19 restrictions we are hosting it online in 2021 but it is shaping up to be an important time to redefine our priorities and to shape our nation into the Godly nation it is called to be. Take the time out to pray for our nation at this critical juncture in our history – 10am-4pm AEDT.

As an apostolic-prophetic team, Ps Norman & Barbara Miller have been a prophetic voice to Australia for many years and have led up a team of government intercessors for the last 2 years as part of the Gathering Apostolic Prophetic (GAP) Network. Ezekiel 22:30.
